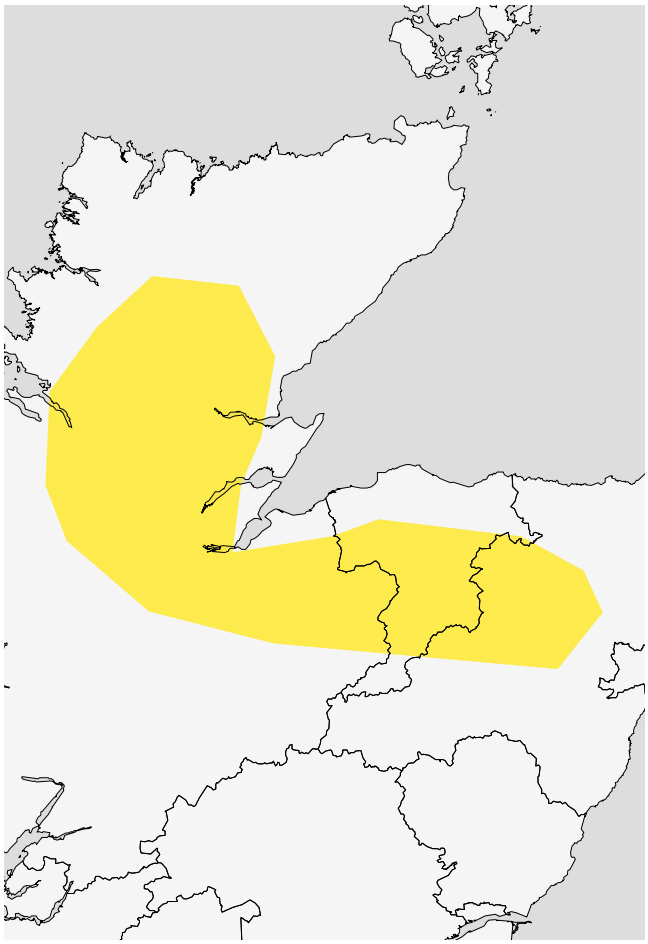
Yellow warning
Snow

Between
17:38 Wed 16 Feb 2022 and
23:00 Wed 16 Feb 2022



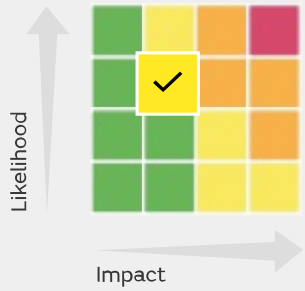
Snow may lead to lead to travel disruption this evening, especially over higher routes.

What to expect

- Some roads and railways likely to be affected, leading to longer journey times by car, bus and train

Further details

Sleet and snow will continue this evening across parts of northern Scotland. Heavier snow is likely over higher ground for a time but with some snow even to lower levels. Accumulations of 1 to 3 cm may occur above 100 metres elevation and 4 to 8 cm above 300 metres. The snow will mostly die out by late evening.



Medium likelihood of low impacts

Issued at 17:38 Wed 16 Feb, 2022
